

Sportcam 4

Equipped with a 3CCD 1/3" HDTV camera (incl. 20x zoom), the compact camera head is a universal tool for high-quality HD productions as well as for any SD application in 16:9 or 4:3. Designed for standing and hanging applications, it is splash proof and has an intuitive operating console that allows the system to be controlled via cable, wireless or modem over a telephone line. Furthermore, the Remote Control Panel (RCP) allows complete matching from the vision control area in your outside broadcast unit.

With this camera you can achieve perspectives barely possible with other cameras in HD. Where space conditions restrict your creativity – for example, in the pit lane, the orchestra p...
