

Sony Remote HD

This compact robotic camera system is specially designed for remote video shooting applications. With its high-accuracy and wide-range Pan/Tilt/Zoom capability, the BRC-Z700P precisely captures the pictures you require.

Picture quality is excellent with the BRC-Z700 employing three 1/4-type ClearVid CMOS images sensors, boasting a resolution of 1,120,000 total pixels. This camera is both High Definition and Standard Definition capable.

The BRC-Z700 is ideal for a variety of remote video shooting applications, such as auditoriums, teaching hospitals, corporate boardrooms, sporting events, trade shows and concerts.
